

Thunder families:

Attached are the group placements for the age group swimmers for the long course season. This list does not take in to account leave-of-absences. If your family is taking a leave-of-absence over the long course season, please contact Fay Kelsoe (jkelse5@comcast.net) if you have not already done so.

Senior group swimmers, including those moving up from Black group, should talk to Dan regarding placement in Senior A or Senior B. Again, please keep in mind that group placement is based on a combination of age and ability considerations, and we ask that the parents and swimmers be respectful of the coaches' decisions. Of primary importance is the swimmer's long-term swimming career.

We hope that everyone enjoys their break and comes back excited for a successful long course season!
